¹ The profile requires a collaboration with the BDO accountant.

² No electronical archiv as accepted under Swiss OEIDI or GeBü-V.

³ At least 10 employees

⁴ Additional transaction charges (Participation fee per month CHF 39.00, offsetting by Abacus)

⁵ The prices set out in the table are quoted for the AbaWeb accounting service stated including data storage provided by BDO. The exclusive use of data storage is free of charge.

⁶ In the finance package profile the capture of arrangements from Kredi/Fibu is possible, for further processing, calculation and evaluation of deductions etc. the profile investment accountancy 1 or 2 is necessary.

⁷ If a financial accounting profile is used at the same time, the costs do not apply. For the Pro-version (Standalone) the monthly costs of CHF 8.00 are billed directly by Abacus.

A fee of CHF 150.00 per user is charged for opening an account. The establishment fees are set out separately.

If the permissions within the financial packages/smartline are restricted to individual applications/profiles, then it will cause an additional once-off rate of CHF 100.00 per user.

The Internet accountant services may be terminated at the end of each calendar year following the expiry of the first year.

The number of bookings refers to a given financial year. All prices are quoted net of value added tax.

Individual update costs are set off separately.
